Liverpool Business Services
Shipwright House
Queens Dock Commercial Centre
67 – 83 Norfolk Street
Liverpool L1 0BG

Tel: 0845 013 1515

Although our official address is Norfolk Street, this is very confusing as the entrance to our building is in fact in Jordan Street.

- Heading down towards the River Mersey on Parliament Street, turn right at the traffic lights (near Cains Brewery) into Jamaica Street, then at the third road along (Jordan Street) turn left. Travel down to the end of Jordan Street (crossing Flint Street) and enter through the blue iron gates into the Queens Dock complex. At the end of the car park we are in the building at the right hand side ('GTR' logo is on the side of the building). Our training centre is signposted LBS.
OR
- Travelling south from the city centre on the 'Dock Road' (Wapping and Chaloner Street section) stay in the left hand lane and follow the road round up into Parliament Street to the first set of traffic lights. Turn left into Jamaica Street, then at the third road along (Jordan Street) turn left. Travel down to the end of Jordan Street (crossing Flint Street) and enter through the blue iron gates into the Queens Dock complex. At the end of the car park we are in the building at the right hand side ('GTR' logo is on the side of building). Our training centre is signposted LBS.

Please note: There are limited parking spaces at the Centre and they are reserved for staff. You may park your vehicles outside of the main gates of the complex on Flint Street. Thank you for your co-operation.
