

## **The Big Tidy Up Launch Night**

The newly-formed partnership between Lark Lane Residents Group and Brothers of Charity officially launched The Big Tidy Up for the Lark Lane area. This took place on the evening of 1<sup>st</sup> October 2008 at The Old Police Station, Lark Lane.

On a very wet and windy evening, members of the Residents Group, and staff and Tenants from Brothers of Charity attended the event. Guest speakers included Louise Marsden from The Big Tidy Up campaign, Green Party Councillor, John Coyne and Petra O'Leary from [www.cleanercities.co.uk](http://www.cleanercities.co.uk), who provided free key rings with mini cigarette end/chewing gum containers attached. Photographs were on display showing litter within the area - mainly beer cans and bottles, food cartons, cigarette ends and chewing gum.

Refreshments were provided by 'The Baguette Bite'.

The actual Tidy Up is to take place on Saturday 11<sup>th</sup> October starting at The Old Police Station. It is hoped that there will be plenty of volunteers for this event. Refreshments will be provided.
